Subject: Create a balanced cleanup plan

I can't believe the EPA is going to push for a river cleanup that's bad for business.

The EPA plan, from what I hear, will be fantastic for the river and wildlife. That makes me happy. That's what Portland and Oregon need. But I hope that you also make sure to come up with a flexible plan that also minimizes the cost impact on the businesses that work in the harbor.

Thank you for recognizing that there is a real cost to employers for this cleanup. And thank you for everything you're doing to protect our river.

Sincerely,
